

CART ASSEMBLY GUIDE

Thank you for purchasing a deluxe cart and welcome to the TrueFlame family.

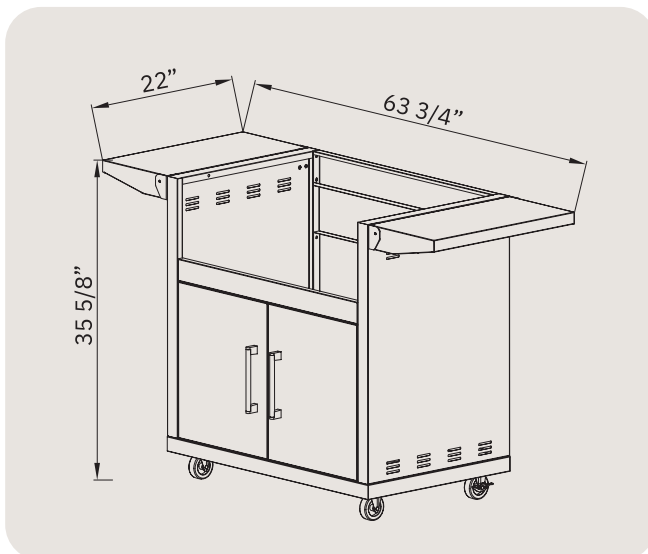

TrueFlame's premium grill carts offer an alternative solution to outdoor dining. Durable and sleek, these stainless steel carts feature magnetic-latched doors, propane tank storage, and collapsible shelving. Use this guide to set up your cart and make sure to use two people to ensure a safe install.

HARDWARE PACK

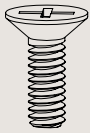

A: M6x12 Bolt (16 PCS)

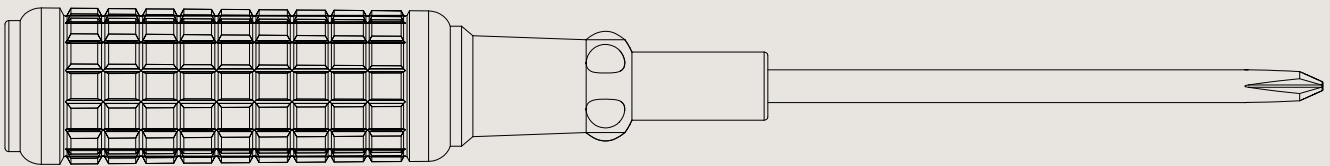

B: M5x10 Bolt (32 PCS)

C: M5x30 Bolt (2 PCS)

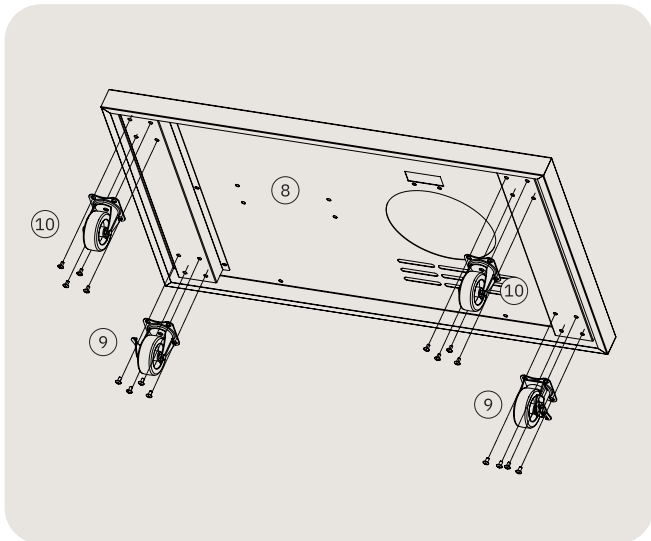

E: M6x12 Countersunk
Screw (12 PCS)

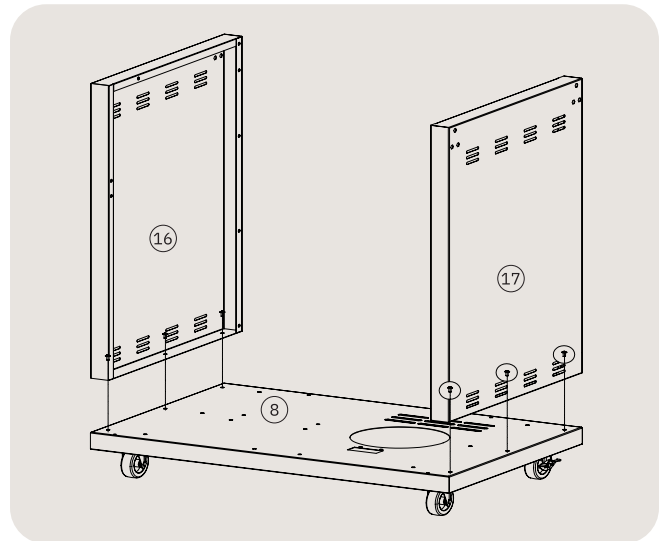

H: Screwdriver (1PC)

INSTRUCTIONS

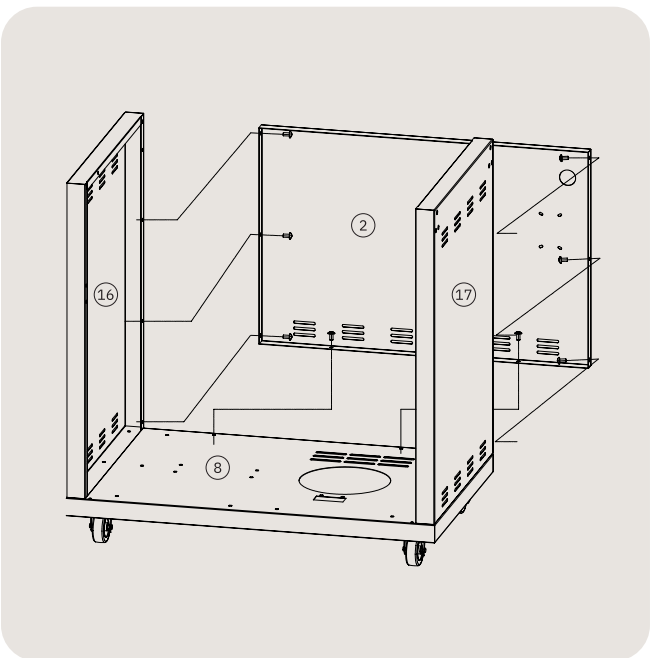

1. Use M6*12 bolt (16pcs) to install the four casters to the bottom panel, as shown below.

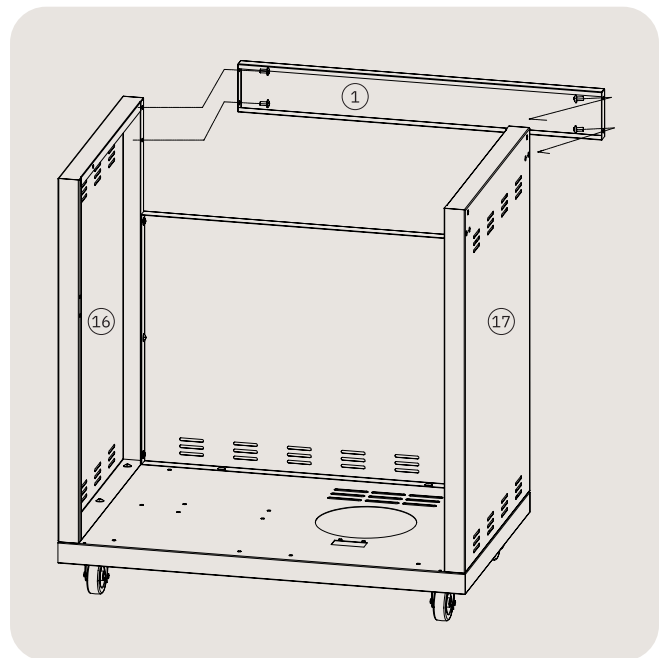

2. Use M5*10 bolt (6pcs) to install the left side panel and right side panel to the bottom panel.

3. Use M5*10 bolt (8pcs) to assemble the cart's rear lower panel (2) with the left side, right side, and bottom panels.

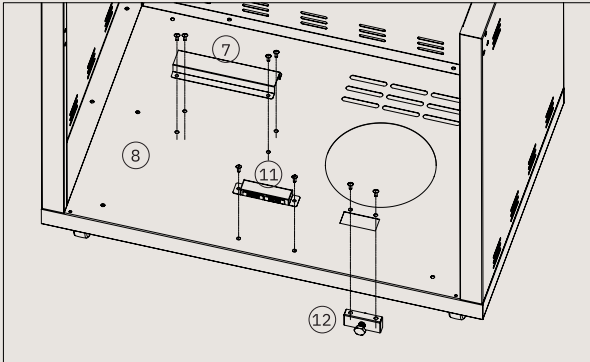

4. Use M5*10 bolt (4pcs) to assemble the rear upper panel with the left side panel and right side panel.

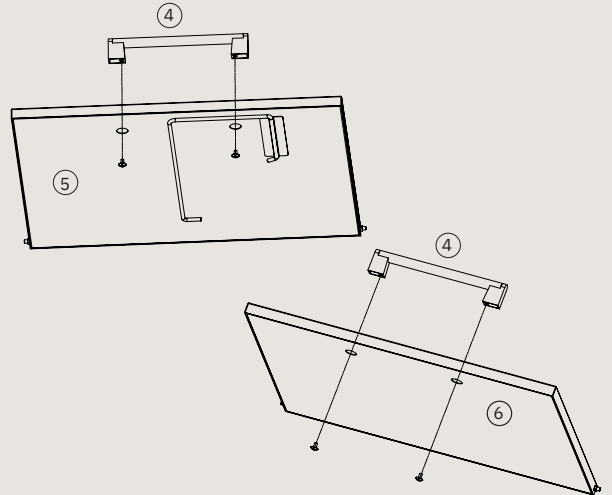

INSTRUCTIONS

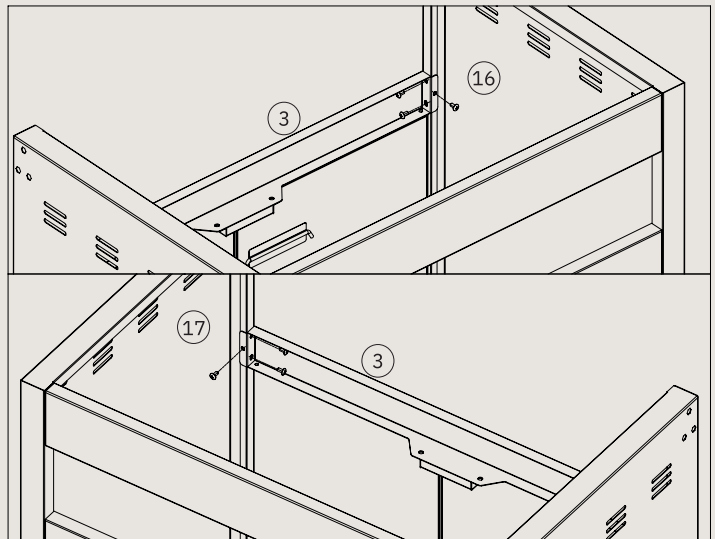

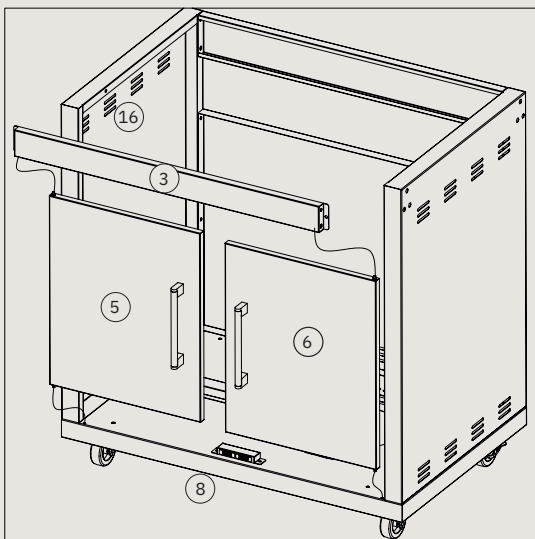

5. Use M5*10 bolt (6pcs) to install the U mounting panel (7) and magnet assembly (11) to the bottom panel, then use M5*30 bolt (2pcs) to install cylinder lock down (12) to the bottom panel.

6. Use M4*6 bolt (4pcs) to install the handles (4) to the left door and right door.

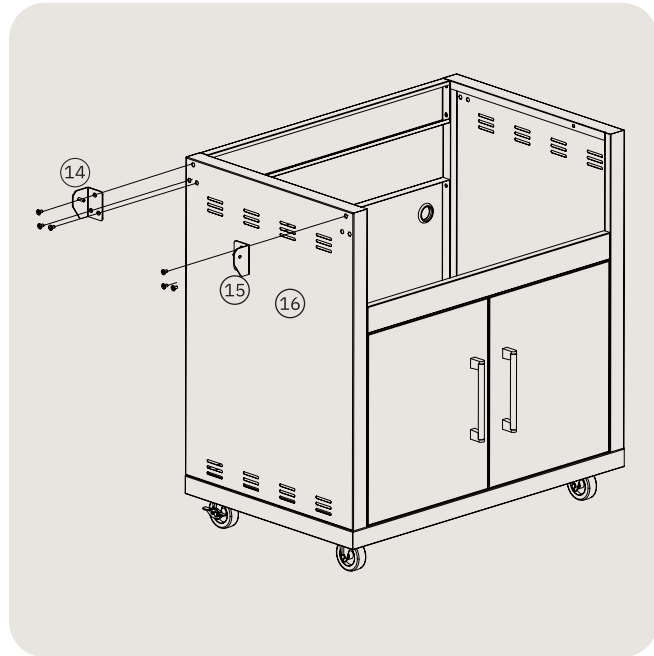

7. Place the left and right doors on the bottom panel, inserting the pin into the holes on either side of the bottom panel. Place the beam (3) on top of the doors with the door pins inserted into the beam holes. Use M5*10 bolts (6pcs) to lock the beam to the cart side panels.

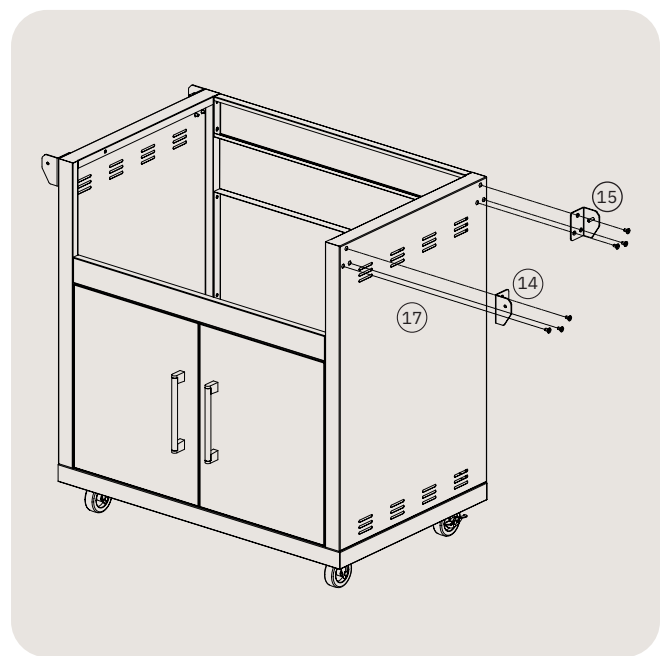

INSTRUCTIONS

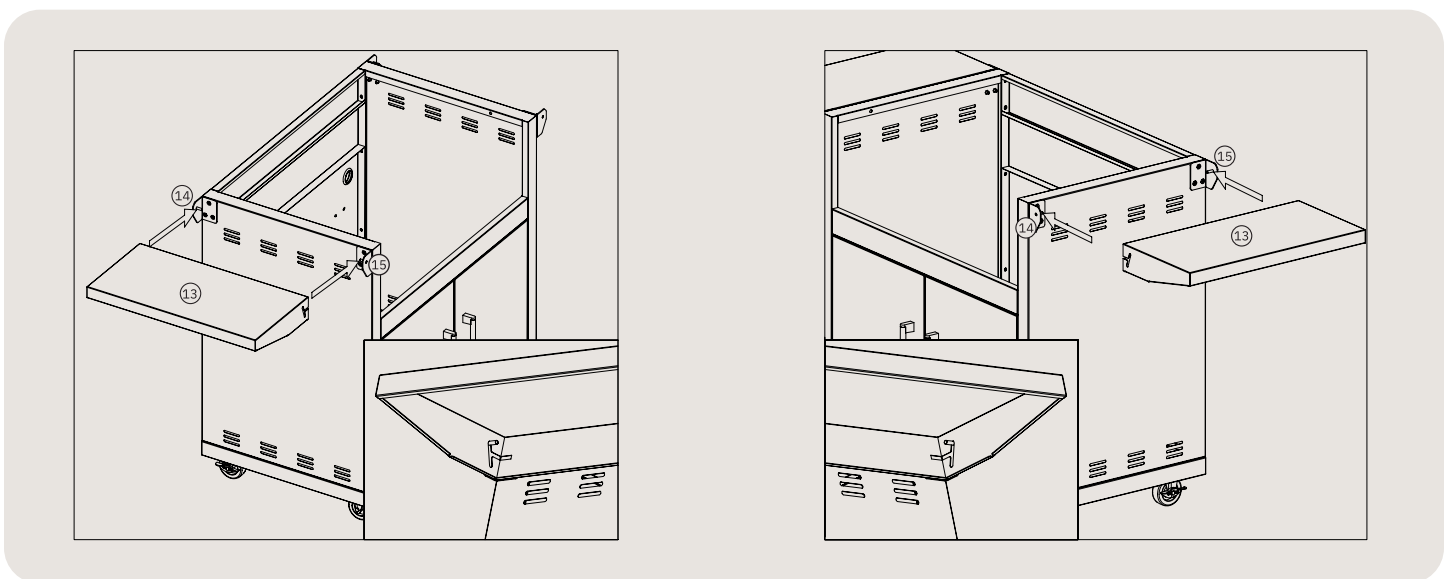

8. Use M6*12 countersunk screws (6pcs) to install the side shelf left (14) and right (15) brackets to the left side panel.

9. Use M6*12 countersunk screws (6pcs) to install the side shelf left (14) and right (15) brackets to the right side panel.

10. Assemble the side shelf (13) to the brackets, as shown below.

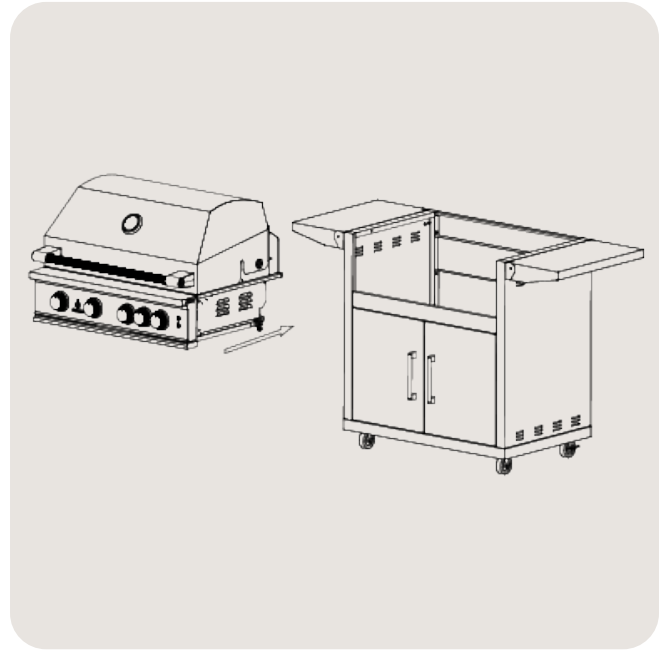

INSTRUCTIONS

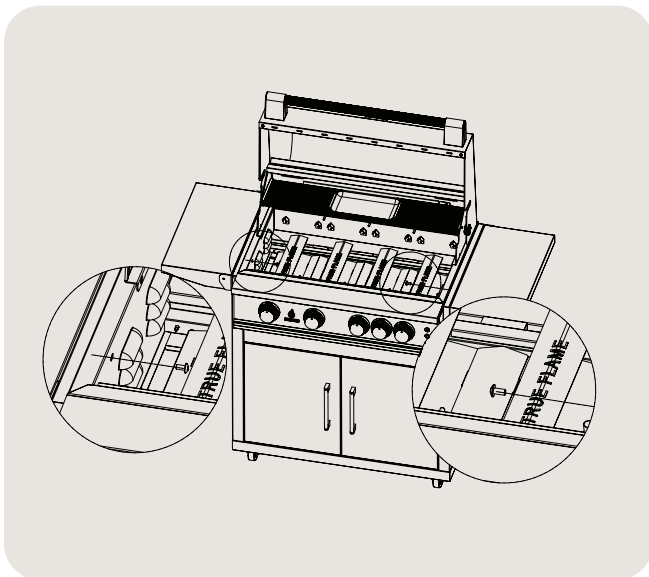

11. Congratulations!
The cart assembly is complete.

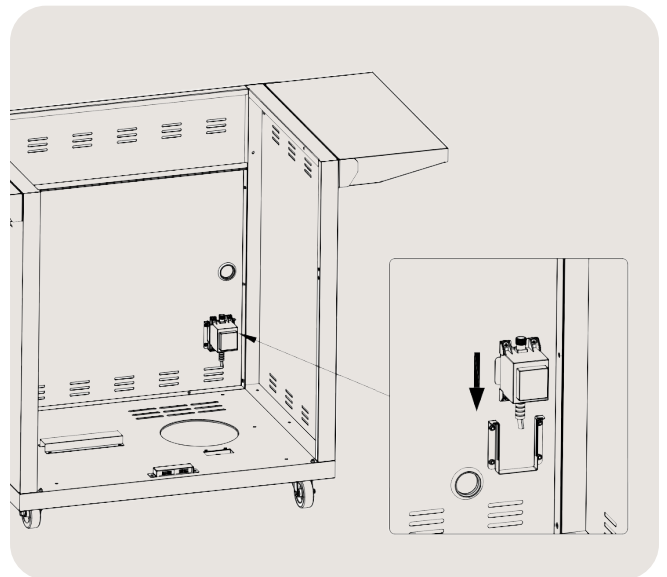

12. Now, using two or more people,
place the grill into the cart.

13. Use M5*10 (2pcs) to lock the grill
to the cart.

14. Plug the transformer into the back board
bracket.

Your investment in AMD Direct products is backed by the strongest warranty in the industry. In addition to precision engineering and outstanding performance, AMD Direct products include our **GOLD STANDARD LIFETIME WARRANTY** with all replacement parts 100% non-prorated. Effective with purchases as of 3/1/23.

AMD Direct Warranty is valid for original purchaser at original site of delivery with proof of purchase and photo documentation only. Registration form must be submitted online within 30 days of the purchase date to validate the warranty. Warranty is void upon transfer of ownership. Warranty does not apply to products installed in any commercial, rental, or nonresidential application that have not maintained proper upkeep. Warranty covers replacement parts only. Manufacturer is not responsible for labor or labor-related costs. Warranty does not cover discoloration, surface rust, corrosion, or oxidation, which may occur due to harsh environments, chemicals, or overheating. Warranty will not apply for damage resulting from improper installations, abuse, extreme environments, grease fires, or misuse. Proof of regular and proper maintenance is required. Coastal, humid, and/or salt environments are subject to manufacturer review. All out-of-box claims must be made within 30 days of purchase and must be made prior to installation. Any product installed damaged will be considered damaged during installation and not covered under warranty. Warranty and registration forms are available at www.amddirect.com/register. Please be advised - all display models are sold "as is" and the warranty covers the following items only: main burners (Gold Standard Lifetime Warranty), grates (Gold Standard Lifetime Warranty), burner covers (Gold Standard Lifetime Warranty). All warranties are subject to the review and approval of the manufacturer.
